Dr. Assaf:

On behalf of the National Council on U.S.-Arab Relations, I am pleased to recognize you as the **Regional Coordinator** in the effort to establish a Model Arab League in the New Jersey area. I look forward to working with you to bring America's premier Arab-U.S. relations leadership development activity to your community.

The National Council on U.S.-Arab Relations has administered the Model Arab League Program since 1983, and to date over 25,000 students have participated in a Model Arab League conference. Like no other comparable experience in the United States, this one-of-a-kind educational and leadership development activity provides high school and university students an unparalleled opportunity to immerse themselves in the social, economic, and foreign policy challenges of the Arab countries.

I'm enclosing with this letter a copy of the latest Model Arab League Handbook, along with the topics that are being discussed at Model Arab Leagues during the 2007-08 school year. If you ever have any questions please feel free to contact myself (at Mark@ncusar.org) or my colleague Megan Geissler (at Megan@ncusar.org).

Thank you for your efforts to establish a new Model Arab League conference, and I look forward to working with you to provide students in the New Jersey area this one-of-a-kind educational opportunity.

Sincerely,
